

**GRCCA Registration Opportunities 2021-2022**

Please find below the course offerings for the GRCCA for the 2021-2022 School Year.  
 Please note, some offerings are Dual Enrolled, whereas a student has to meet college entrance requirements i.e. GPA,  
 Other courses are strictly high school programs, and require no entrance requirements.  
 Remember - Transportation is provided from each high school to the GRCCA for both morning and afternoon sessions.

Please carefully read information provided and note further descriptions are available on the GRCCA website:  
[www.grcca.education](http://www.grcca.education) - look under the tab Pathways.
