

How to log into infinite campus.

If you are on a desktop computer or laptop:

- 1) Go to www.griffinhighschool.com
- 2) Click on student links

- 3) Click on Infinite Campus, and you should get a screen that looks like this:

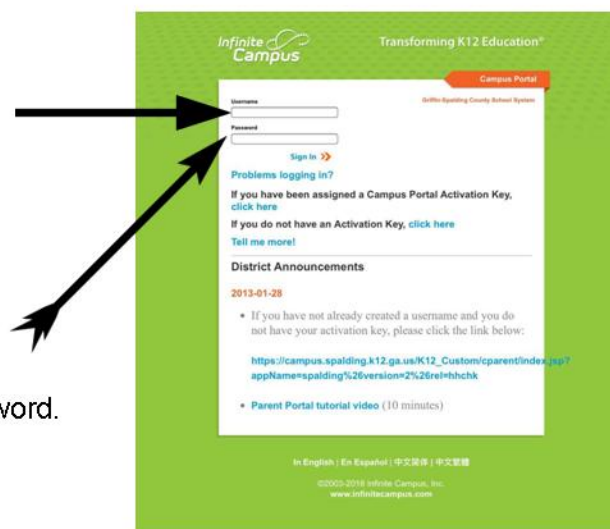

Your user name should be your six digit student ID number (no 00 or 11 behind it)

If this is your first time logging into the system, your password should be

campus2017

You will be forced to change the password.

If you have already logged in, it will be whatever password you created.

If you continue to have problems, please see the Media Specialists to help you out.
