Elective Choices

Examine the junior elective sheet carefully. You must have elective area teacher or counselor approval for each of the elective options you select. **After talking with the elective area teacher and/or counselor, choose FIVE electives that you would be interested in taking next year.** Write down the name of each choice on this sheet. Place the electives in order of preference. (For example, your first choice should go in the top blank and your last choice in the bottom blank.) **Your teacher or counselor must initial their approval of your elective choices.** Students will be placed in electives according to availability of classes and seats. If your first choice is not available, you will be scheduled for your second choice and so on. If you do not choose FIVE electives, and you cannot be scheduled for the electives you choose, you will be placed in an elective of the school's choice. PLEASE SELECT CAREFULLY!

Current Electives:
